The nursery is an educational service for children from 3 months to 3 years. It's a nice and stimulating place and it helps the growth and the psychophysical, cognitive, emotional, relational and social development of children. It also helps the family in the task of care and education and it encourages collaboration between parents and educators.

Therefore the nursery is an important place where children, parents and educators can cooperate for the inclusion and the integration also of disabled or disadvantaged children.

Centre for children and parents

Il Girotondo

V.le I° Maggio,13

Number of places: 24 (two groups of 12 on alternate days), age: 15 - 36 months.

This service is available from half October to May 30th, from Monday to Friday.

Entry: 16.00. Exit: 18.30

The centre for children and parents is an educational place that accepts children who don't attend any other children service. It gives the opportunity to play, to meet each other, to share experiences in order to grow up and have educational experiences together. The children find out spaces, situations, suitable materials in the presence of an educator.

Moreover the adults who stay with the children have an opportunity to meet other parents and watch their child playing.
